GENERAL NEWS

NEW! Guess The Object - There are always amazing and interesting things we come across and occasionally we are stumped as to either their use or origins, however we know you are a clever bunch of people so we thought we would try and put a few things in front of you to tell us what they are. Above is a Pre-Columbian Terracotta object which as you can see has a monkey sat on the front, but what is it? Email us back by replying to this newsletter and tell us your thoughts or what it is?

The Byne Girls Stay Together - With all the excitement of last month's Doll & Teddy Bear auction we thought you may be pleased to hear that the successful bidder of the three rare Georgian dolls from the Byne family were all purchased by the same American collector who is making sure that they all stay together as a family. The 2018 Sales Calendar is full of auctions for you. [Click here to visit the SAS Website](#) to put the dates in your diary.

Don't forget we also have a Free Valuation Day every Wednesday at our salerooms in Newbury. We also hold a Valuation Day on the second Monday of every month at the Jury's Inn in Swindon, so book your appointment on 01635 580 595.

You can keep up to date with some of our activities by following us on Facebook (search for SAS) & Twitter (@SASauctions).

Kind regards and many thanks for reading and subscribing to our Monthly Newsletter,
