### Giving something back!

Alexander Devine Children's Hospice Service was founded in 2007 with the aim of providing a dedicated children's hospice service for all children with life limiting and life-threatening illnesses in Berkshire and beyond.

Both Thomas Forrester and Neil Shuttleworth are Ambassadors for this great charity and along with donations, valuation days and other fund-raising events, we continue to support the Hospice whole heartedly. During the very testing past twelve months, fundraising for charities has been especially difficult and lots of scheduled events have had to be cancelled so we decided, **we're giving something back!**

We are delighted to host a charity auction on the 21<sup>st</sup> April solely raising funds for the Alexander Devine Children's Hospice. We're committed to raise £21,000 and confident that with your help we can achieve this together.

**\*There is no buyer's premium so you simply pay the hammer price\***

The auction will be a traditional sale with descriptions, photographs and of course live internet bidding so people join us and bid on these fine and rare lots. The online catalogue will be coming soon, watch this space.....

There is a good mixture of antiques and collectables up for grabs including silver, jewellery, coins, paintings, furniture, ceramics, glass and much more...

If you would like to donate lots or donate to this worthy cause please contact Neil Shuttleworth on 01635 580595. Thank you...
