JUNE 2020 PART TWO SAS NEWSLETTER

Hello and welcome to the second part of the June SAS Newsletter.

We hope this email finds you well and you and your family and friends are staying safe during these difficult times!

As per the UK Government guidelines we are allowed to re-open from Monday 15th June. However, we are still encouraging you to book an appointment to come in with your items to consign for auction. Also if you wish to view or attend the auctions we are restricting numbers and will need you to contact us to arrange an time slot.

We have had seven auctions in five weeks behind closed doors, so thank you to all of our vendors and bidders.

As we are still not 100% operational and staffed, your patience is very much appreciated at this difficult time and if you have purchased in one of the auctions, there is and will be a delay in getting parcels packed and sent to you.

From next week we will be operating Monday to Saturday for dropping off and collecting between 10:00 and 13:00. Naturally this is if it safe for you to travel. Please call 01635 580 595 or email mail@specialauctionservices.com to make an appointment.

We have been very busy getting auctions relisted and ready for you, so please see details below. Please contact us regarding the auctions and we look forward to seeing you again at the sales soon!

Thank you for taking the time to subscribe to the Special Auction Services Newsletter and for reading our monthly emails.

Once the auction is set up we will contact you to arrange a time for viewing convenient for you. We anticipate that viewing will be available to begin by early next week and we will be open on the Saturday prior to the auction as well.
