GENERAL NEWS

New Premises - We will be sending some photographs of the new premises in the next newsletter. For now we are waiting for the final stages of the build such as the carpets going down, the toilets being fitted and then a big clean before we properly start moving in. The coffee machine will also be installed next week so you can enjoy a fresh coffee and a biscuit when you come and visit us. Naturally we look forward to seeing you at the new premises!

20/20 in 2020 - As you are aware we are moving into a fantastic new premises from January. We have decided that our buyer's premium needed to be reviewed and we have come up with a great idea for you. At present we have a three tiered buyer's premium of 17.5% / 20% / 22.5%. We have decided to simplify things for you our buyer's premium will be 20% plus VAT whether you bid in the room or via SAS Live and then the saleroom will be raised to 25% plus VAT. We really hope that this will encourage everyone to use SAS Live whether you are in our new premises bidding or on the other side of the world. Young or old we basically want to give you the chance to bid online at all of our auctions. We hope that all makes sense and we look forward to seeing you soon. Also as part of the 20/20 theme we are introducing a £20 minimum bid policy.

The 2020 Sales Calendar is full of auctions for you. [Click here to visit the SAS Website](#) to put the dates in your diary.

Don't forget we also have a Free Valuation Day every Wednesday at our salerooms in Newbury. We also hold Valuation Days in London, near Wolverhampton and in Swindon, so book your appointment on 01635 580 595.

You can keep up to date with some of our activities by following us on Facebook (search for SAS) & Twitter (@SpecialAuction1 and @SASauctions).
