

NOW CONSIGNING FOR OUR AUTUMN AUCTIONS

I think we all agree this this year has been an interesting year to say the least with Brexit, COVID 19 and the ever-changing industry regulations. This has certainly shifted our focus and also implemented new and improved ways of working. As a team we have grown stronger as we continue to attract collectors to fill a very demanding auction calendar moving forwards.

We are now consigning for our autumn auctions with a view to start looking ahead to this winter.

We have a team of specialists on hand ready to offer their honest opinion and recommendations. Request a free no obligations valuation of your items
