Happy New Year!

Hello and welcome back. We trust everyone is keeping safe & well during these unprecedented times. As you're aware COVID-19 continues to dominate the media headlines and also ours and everyone else's business practices. We may very well be closed to the public, however, like the famous song written by Queen, The show must go on! – What a fantastic song.

We are super excited about the year ahead and we have some fantastic auctions coming up in January which we're covering further below

What do COVID restrictions look like at SAS;

- Closed to the public
- Online only auctions
- Viewings although not in person can be arranged via WhatsApp or video calling
- Offer a great & flexible click & collect service – 6 days a week Monday - Saturday by appointment
- Staggered our work force, working from home and flexible working patterns
- Offer more photographs, video calls or a telephone conversation
- In house packing team remains fully functionally.

As Always we appreciate your support and patience. Please continue to pay by bank transfer as this offers the quickest method to pay for your lot. The phones can get busy from time to time so please bear with us.

Stay safe and we're sure we'll see you back in our salerooms soon....

Jewellery Auction 21st January at 10:00 GMT

Jewellery - Catalogue

Click & Collect

Here's how it works - 3 simple steps

- 1) make a payment
- 2) book an appointment
- 3) make your way to our loading bay

1) Payment

Ideally paying by bank transfer is the easiest method to make a payment

2) Book an appointment

Please call or email the office to arrange a suitable collection time & date

3) Make your way to our loading bay

If nobody is around to greet you or the shutters are down, please call the office and someone will meet you for a contactless handover. Sorry to say you'll not be able to enter the building even to use the washroom facilities
