Getting ready for Summer?

A very warm welcome from the team at SAS. We hope everyone is keeping safe and well. With the warmer weather on the horizon what better time to rummage through your attic, spare rooms, garage, etc.. Consigning your items has never been easier, please contact us for further information.

Due to unforeseen circumstances and a restructure in the Antiques and Fine Art Department, the June auction has been rescheduled to July. This is in the very best interests of both our buyers & vendors as we pride ourselves in producing quality auctions.

In very exciting news, from June 1st we will be offering viewing for all auctions strictly by appointment. Our monthly valuation days up in London (J McCarthy, 11 Artillery Row, SW1P 1RH) will also be recommencing from June 7th and thereafter the first Monday of the month. Again, by appointment only.

Please call 01635 580595 for further details.

Keep safe and take care.

The Iron Maiden sections in this

auction comprise the first part of Peter Boden's Iron Maiden collection (the second part will be auctioned in July)

Peter was an Iron Maiden Superfan and avid memorabilia collector and the items coming up in this and the July auction was his pride and joy, carefully collected over 30 years. He saw the band live more than 200 times (including every single concert they played in the UK over the last 25 years), took several flights with Bruce as pilot on board Ed Force One and regularly attended Nikko's drum demos. His last Maiden concert was in Fort Lauderdale in July 2019, where he also fulfilled a lifelong dream of visiting Nikko's restaurant Rock 'n' Roll Ribs.

Peter sadly passed in January 2021 aged 45 and will be much missed by his Family, Friends and the Iron Maiden community.
