Consignments are getting interesting...

Hello and welcome to another exciting newsletter from Thomas, Neil and the SAS team. It really is all systems go as we, the team, are working around the clock to get everything finalised for our up-and-coming auctions. We have consigned some fascinating lots, from the ridiculous to the sublime so make sure you keep a look out on our website for more updates.

In Dudley we are busy cataloguing a large single owner doll collection ready for June and in Newbury we have a fabulous corkscrew collection ready for September. Not to mention a bumper Antiques and Collectables in July along with our usual varied and interesting auctions.

Don't forget, from June 1st we will be offering viewing for all auctions strictly by appointment. Our monthly valuation days up in London (J McCarthy, 11 Artillery Row, SW1P 1RH) will also be recommencing from June 7th and thereafter the first Monday of the month. Again, by appointment only.

Please call 01635 580595 for further details.

Keep safe and take care.

The SAS Team
