HAVE A FANTASTIC EVENING

Message for the Alexander Devine Children's Hospice Service - Heaven Sent Ball - from the Prime Minister
the Right Honourable Theresa May MP

This year marks the 10th Heaven Sent Ball for the Alexander Devine Children's Hospice Service and I would like to take this opportunity to congratulate Fiona, John and their team on another positive year. Their hard work and dedication makes a huge difference to families whose children have life-limiting conditions.

I am delighted that soon the hospice will welcome its first children and would like to commend the efforts by everyone at Alexander Devine for making this possible. I was impressed when I visited the hospice in its final stages of construction last September and I know that it will be an important asset to the local community – giving children and their families care, support and a loving environment when they need it most.

I have long been a supporter of Alexander Devine Children's Hospice Service and am thrilled to see it continue to go from strength to strength.

This year we're introducing our new

FEATHER RAFFLE

and we think you're going to be tickled pink...

Feathers are just £10 and each is numbered, 1 in every 5 being a winner. On top of that, hidden in amongst those prizes are 3 Super Prizes:

GOLD - Two Virgin Atlantic economy return tickets to New York from London Heathrow (excluding taxes)

SILVER - An amazing Porsche Driving Experience at the Porsche Centre, Silverstone

BRONZE - A Spa Day for four guests at Nirvana Spa with a treatment, celestial floatation and sparkling lunch.

It is important that you hold on to your feathers (if you're allergic ask a friend to hold them for you) as, following completion of the main course, the winners of the 3 Super Prizes will be announced. All other winning numbers will then be able to collect their prizes from the table in the reception area.

And to those of you who don't win a prize we'd like to say a huge **THANK YOU** as the money you have spent will go towards a splash session in our hydrotherapy pool, respite sessions or a play session.

So again, **THANK YOU.**

Alexander Devine Children's Hospice Service was founded in 2007 by Fiona and John Devine in memory of their son Alexander. Alexander was diagnosed with a rare brain tumour aged just four, he sadly died four years later aged eight. Fiona and John, who live in Windsor, wanted to improve the care and support for children with life-limiting and life-threatening conditions in Berkshire as the County did not have a Children's Hospice.

The vision to build a children's hospice in Berkshire became possible when a six acre plot of land was gifted to the charity by a local landowner and planning permission was granted in 2012. The site is near Maidenhead in Berkshire. Construction began in September 2015 and is now complete. The next steps are to furnish and equip the hospice and register the building with the Care Quality Commission.

The hospice will be able to provide a much wider range of services and activities for the children and their families, ranging from day care, symptom management, respite and end of life care.

As the hospice has been purpose built there are many special rooms and areas that will be of great benefit to the children and their families, including a hydro therapy pool, creative learning zone, music room, games room and bereavement suite.

There are over 600 children in the County of Berkshire alone that are termed life limiting, life threatened, we will be able to provide this much needed to service to children aged from 0 -19 years of age, in a building designed to meet their needs.

We are indebted to our local community for their support and help in helping us to raise funds and awareness.

Thank you so much for being the story makers in our story, without you we could not provide the care and support to our extraordinary children.

Charity No: 1118947

FAQs

When did Alexander Devine Children's Hospice Service Begin?

The charity was set up in 2007 by Fiona and John Devine in memory of their son Alexander with the aim of building a children's hospice in Berkshire as we are one of the few counties without one. The nearest ones are in Oxford, Winchester or towards London. Our charity number is 1118947

Who was Alexander Devine?

Alexander Devine was a young, brave Windsor boy who was diagnosed with a rare brain tumour at the age of 4 and sadly lost his battle aged 8.

Who does Alexander Devine support?

We support all children in this area who have life-limiting and life-threatening conditions and their families. There are currently over 1000 children in the area we cover who need this support. That area includes Berkshire, part of South Oxfordshire, South Bucks, Hampshire and Surrey.

What facilities will the children's hospice have?

Our hospice will have 6 en-suite bedrooms and two self-contained apartments for parents/families; a large welcoming kitchen and lounge area but also fun rooms like a crafts room, music room, sensory room and a hydrotherapy pool. It will be a safe place for love, care and laughter, a place to relax either with or without parents, where there will be doctors and nurses. Most people expect a children's hospice to be a sad place – but it will be full of families making some very special, happy memories, enjoying doing the sort of activities together that we can take for granted. The Alexander Devine Children's Hospice has been designed to be as least like a hospital as possible because the children we care for, and their siblings, spend too long in hospital environments.

Do you have a service already helping children?

Yes, we have our Alexander's Care Team - 6 nurses, 4 carers and a play specialist - who go into families' homes and provide support and respite for all the family, and palliative care, symptom management, pain control and end of life care for children. We are currently supporting 109 children with new referrals coming in every month. Alexander's Care Team provides an average of around 250 direct care hours a month.

Are your services free? And will the use of the hospice be free?

Yes, all our services are completely free of charge.

□ **Is there any government funding?**

No, we do not receive any government funding so we rely heavily on voluntary donations to support the services we are able to offer to families, children and young people with life-threatening conditions.

□ **How many children will the hospice care for?**

The hospice will have six en-suite bedrooms and two self-contained flats for parents to stay too. The hospice will accommodate up to six day care children and our community team will also be based at the hospice.

Why do you need support?

We have finished building our inspirational children's hospice and we are currently equipping our home from home with up to date medical equipment and furniture. We also continue to fund our Alexander's Care Team who offer families support in the community. We need fundraisers and volunteers to support us to keep our important services running for those who need us most. We have to raise £3 million each year and with no funding from government, the support of our community is vital. Together we can make a difference to the lives of families across Berkshire and the surrounding counties.

□ **The build? When will it be open?**

We broke ground in September 2015 and the building is now complete. We await our inspection for the build from the Care Quality Commission which we anticipate will take in the coming weeks. We will have a phased opening and plan to open our doors to our extraordinary families very soon starting with day care.

□ **What can I do to help?**

There are many ways in which you can help. Fundraise for us, volunteering, introduce us to your place of work as charity of the year. Leave a gift in your will or become a regular donor. If you would like to know any more information please contact the charity.

□ **Who do I contact?**

Please email fundraising@alexanderdevine.org or call 0845 055 8276 You can also like our Facebook page AlexanderDevineHospice and follow us on Twitter @alexanderdevine

Live Auction Lots

HOW TO BID

“All you need to do is read through the lot details for each lot you wish to buy and then simply start putting you hand up to attract my attention”

“We have suggested starting prices for each lot, however, you can go as high as you like....Have a lovely evening and thank you!”

Thomas Plant, Auctioneer at Special Auction Services

NOTE: Please make sure you read the Terms & Conditions for each lot you would like to bid on.

If there is no redemption date given on the lot you are bidding on, please can you kindly redeem your prize within one year.

THANK YOU AND GOOD LUCK
