- 320. An unboxed Tri-ang TM3905 Pressed Steel Routemaster Bus model in red**, approximately 58cm long. A later, hard to find, version of this bus with 'Tri-ang Railways' label to the nearside and 'Shell- One oil for all cars' on the offside, with 'Shell' logo labels on either side of the front destination label and 'London Transport' fleetname labels with a metallic finish to both sides. Overall model appears G, retaining its bell and clapper to the underside, but with some paint loss, fading, foxing to, and lifting of labels.  
£120-180
- 321. A scarce unboxed Tri-ang Pressed Steel 'Diesel Electric' Locomotive model in red**, blue and white, with 'Diesel Electric Loco' decals to both sides approximately 61cm long. Whilst the model retains its original headlamp bulb and holder, the model has been retro-fitted with a new headlamp, cab lighting and a Diesel engine sound card with horn, controlled from two 9v battery boxes with additional controls for the engine sound and horn accessible through the aperture which would have originally housed the rubber horn bulb. Overall G, retaining the original driver figure, but with some repainting to the roof.  
£120-180
- 322. A hard to find unboxed Tri-ang Pressed Steel Thames Trader Articulated Tanker model in red and yellow**, approximately 58cm long. The vehicle carries virtually complete 'Shell BP' decals to both sides and has a large 'Tri-ang' decal at the rear of the tank. Overall G, the model appears to retain all couplings/jockey wheels and the rubber internal tank is also present, but the model does have some paint loss.  
£150-250
- 323. An unboxed Tri-ang TM5330 Pressed Steel Thames Trader Milk Lorry model in red**, white and blue with an original number '4' label on front of bonnet, approximately 42cm long, and has a 'Tri-ang' decal on the base. The model carries its full complement of eight plastic milk churns, all with lids. Overall G/G+, with some paint loss.  
£70-100
- 324. Two unboxed Tri-ang Pressed Steel Thames Trader based models**, an Express Delivery Service Van in red, white and green, together with a TM5320 Fire Engine, both approximately 42cm long, the latter model missing its inner extending ladder, otherwise overall both appear G, with some repainting. (2)  
£80-120
- 325. Two unboxed Tri-ang TM6015 Pressed Steel Fire Engine models from their 'Diesel' series**, approximately 39cm long. One appears largely complete with extending ladder, the other has some vintage modifications including the provision of headlights and searchlight, with this model also missing the inner portion of the extending ladder, otherwise both overall appear G. (2)  
£80-120
- 326. A boxed Tri-ang Pressed Steel 300 Series TM4815 Horse Box from their 'Roadster' range**, a hard to find 'economy' version of this model without the usual side access door, but with some repainting and non-original horns and wipers, in a G complete box.  
£60-90
- 327. An unboxed Tri-ang TM5205 Pressed Steel 300 Series Delivery Van in red and blue with attractive decals illustrating the range of Tri-ang toys to both sides generally G**, with some paint loss and some denting to the roof.  
£70-100
- 328. Twenty six Tri-ang wheel spare parts including wheels for Diesel, Roadster, other Pressed Steel Vehicles and larger toys together with an axle and four assorted sized Pedal Car tyres**  
£20-40
- 329. A Tri-ang TM2016 three wheel 'Little Farmer' Pedal Tractor in blue**, with blown plastic body and otherwise metal parts together with a TM2301 Pressed Steel Trailer No.2 'Tri-Trailer' in red complete with original coupling, overall both appear G with repainting to some metal parts. (2)  
£60-100
- 330. A Tri-ang T M2010 four wheel 'Harvester' Pedal Tractor in orange red**, with blown plastic body and otherwise metal parts, generally G and complete with repainting to some metal parts.  
£60-90
- 331. Three different unboxed vintage Tri-ang steel bodied variants of the Tipper Lorry model**, all with rubber wheels, from their immediate Post-War range of toys. Models included are the largest Tipper Lorry 'O' (#6054) in green and red, 32cm long, VG with Tri-ang decal to inner rear section of the tipper, Lorry 'OO' (#6055/6162) in red and blue, overall G/G+, 24cm long, and the small version 'OOO' (#6056/6161) 18.5cm long in red and dark turquoise, VG. (3)  
£60-100
- 332. An impressive unboxed**, hard to find, Tri-ang TM5310 Pressed Steel Thames Trader Articulated Low Loader with original Pressed Steel Hi-Loader Shovel, the lorry, in blue and white, appears G and complete with operational winding gear, drop down ramp and original retaining hook, the Shovel, F-G, with operational steering and lift mechanism however missing the engine block.  
£100-150
- 333. An unboxed Tri-ang TM5305 Pressed Steel Thames Trader Articulated Car Transporter**, very hard to find still carrying the original load of four differently coloured blown plastic cars with rubber wheels. The lorry in red and white, appears overall G, although does have a hinged drop down ramp affixed to the rear of the vehicle which may well be a later addition. The four cars all appear G+/VG.  
£100-180
- 334. Two boxed vintage Tri-ang Pressed Steel Construction Vehicles from their 'Giant Series'**, a scarce Earth Hauler in red and cream, approximately 47cm long, G+/VG in P/F box, missing flaps at one end and a Hi-Loader Shovel in red and yellow, VG/E, complete with smoke stack, dummy engine block and shovel connecting rod in a G+ box. Both very hard to find boxed. (2)  
£80-120
- 335. A very scarce boxed Tri-ang Pressed Steel Fork Lift Truck model in red and yellow**, approximately 29cm tall, with operational elevating mechanism and both forks present, generally VG/E in a complete G+ box.  
£80-120
- 336. Two models from the Tri-ang Pressed Steel 'Junior Diesel' range including a boxed TM6115 Milk Lorry in red and white with full complement of 28 milk bottles**, seven in each colour, VG but missing roof sign in G+ box together with a hard to find unboxed Fire Engine model, generally G with repainting to the yellow ladder. Another boxed Tri-ang Pressed Steel Milk Lorry, TM6266 from the 'Hi-Way'  
£100-150
- 337. A scarce boxed Tri-ang Pressed Steel 'W' Series W590 (TM6038) 'Shell BP' Petrol Tanker Lorry in blue and red**, 22cm long, with some paint loss, predominantly to the nearside portion of the cab roof and some loss of decals, particularly at the rear of the tank, overall F-G, in an overall F-G complete box.  
£70-100
- 338. A boxed Tri-ang Pressed Steel TM6013 Express Delivery Van from their 'Diesel' range of vehicles in red and blue**, approximately 40cm long. The van appears overall G+ with complete decals to both sides of the van, housed in a F-G box, missing a half flap and tab at one end.  
£80-120
- 339. A boxed Tri-ang TM6017 Pressed Steel Builders Lorry numbered 201 in their '200 Series'**, this model in turquoise and red, approximately 47cm long, appears overall G+/VG with near complete decals to both sides of the tipper body and 'LB2121' numberplate to the rear. The vehicle also retains both sets of securing pegs and chains at the rear and it is housed in a G, complete box.  
£100-150
- 340. A hard to find boxed Tri-ang TM6284 Pressed Steel 'Vista-Conveyor Panehnicon' from their 'Hi-Way' range of toys**, approximately 35.5cm long. Overall the model itself appears VG, with complete stickers all around the vehicle, however the clear plastic roof has been replaced - although the badly warped original plastic roof is included, and comes together with the conveyor and one cardboard packing case. The model is housed in a G+ sturdy box, missing a tab at one end.  
£80-120
- 341. A scarce boxed Tri-ang Pressed Steel TM6286 Articulated Freightliner Delivery Truck from their 'Hi-Way' range of toys**, approximately 56cm long when coupled. Overall the model itself appears VG, with all signage present. The model is housed in a generally G/G+ box  
£100-150
- 342. A hard to find boxed Tri-ang Pressed Steel TM3910 Single Decker Bus model in red**, approximately 56cm long. Whilst the bell is present on the underside of the vehicle, the clapper is not and there is some paint loss across the vehicle, most particularly affected being the lower edges of the side panels on the offside. The vehicle still carries the 'London Transport' fleet name along with 'A5', to both sides, and Route Number '48A' to front and rear, generally overall G, housed in a G+ box.  
£150-200

**343. A unique unboxed Tri-ang Pressed Steel based Thames Trader Delivery Van in the maroon and white 'Mothers Pride Bread' livery,** approximately 51cm long. This model, acquired by the Vendor from a former Marketing Department Manager at RHM Bakeries, was used during the late 1960's in a Mothers Pride promotional campaign. It is understood that RHM commissioned, by Special Order, an elongated wheelbase version of their Thames Trader chassis from Tri-ang, evidenced by the Tri-ang label which surmounts the underside of the black painted chassis, the wheelbase of this model being approximately 30cm vs. the 22cm wheelbase of the standard Ford Thames Trader Delivery Van model in the Tri-ang range. As can be seen from the interior, the original colour of the cab that was attached to the chassis was a later yellow over white variant, with the construction of the authentic wooden rear van body and the exterior vehicle painting all being undertaken 'in-house' by RHM. They also attached 'Dymo-Tape' style registration plates 'BB1G', front and rear. Overall this most unusual model appears G+ with some signs of wear to leading edges of the wooden body. £150-250

**344. A hard to find boxed Tri-ang Pressed Steel TM3910 Single Decker Bus model in 'Green Line' livery,** approximately 56cm long. Overall this model appears G+/VG retaining its bell and clapper on the underside and with the original pull cord and toggle still attached, although it does have partial loss to some decals and a small dent in the roof. The vehicle is housed in a generally G+ box £200-300

**345. A very scarce boxed Tri-ang Pressed Steel Mechanical Horse with Rocket Launcher from their 'Junior Series' range,** measuring approximately 64cm when coupled. The model appears overall G+, looking to have had little actual 'play' use, the trailer does however suffer from a good deal of spots and scratches of light surface corrosion predominantly affecting the area towards the rear of the trailer bed, however the elevating rocket firing mechanism is present and appears complete as are all the decals on both tractor unit and trailer. A large Tri-ang M531 'Minic' Bomb, still carded, is also present. The model is housed in a F-G, somewhat tired box, with partial loss to the end of one of the lid flaps and some internal tape repairs.

£120-180

**346. A hard to find unboxed Tri-ang Pressed Steel RAF Tractor No.2 in blue with large white 'RAF' decals on either side of the engine cover,** approximately 21cm long, G+ with black rubber wheels, fixed key and operational mechanism. An unboxed Tri-ang No.2 Tractor is also included as part of this lot. Overall F, it retains the tinfoil driver figure but is missing the rubber band tracks (2) £50-80

**347. Two Tri-ang Pressed Steel car models from their 'Ranger 10' range including a boxed TM6005 Convertible in red,** F/G, but missing some parts, in a G box together with an unboxed TM6010 Estate Car in blue and white, which appears generally G and virtually complete with some distortion to the plastic windows. (2) £20-40

**348. A boxed Tri-ang Pressed Steel TM6680 Mighty Mini Vehicle Gift Set,** hard to find, containing five models including the Low Loader with Tractor load, VG in VG box, together with three individually boxed vehicles from the Mighty Mini range including TM6653 Compressor, VG with accessories still on sprue in VG box, TM6657 Concrete Mixer, and TM6655 Hi Lift Platform, both VG in generally G/G+ boxes with some undulation and splits to the plastic box windows. (4) £80-120

**349. Two boxed Tri-ang Pressed Steel Hi-Way Military Vehicle models,** TM6600 Troop Carrier with driver, escort eight older figures and automatic weapons (still bagged), VG in G+/VG box, and TM6603 Ambulance which includes two stretchers, G in F box, together with four unboxed models from the same range, TM6604 Recovery Truck, TM6605 General Supplies Truck, TM6601 Scout Car and TM6602 Armoured Car, overall unboxed models range from F to G+. (6) £40-60

**350. Four unboxed tri-ang Hi-Way Construction vehicles including a 'Scoop-A-Dozer' Trencher,** an Articulated Dumper and two JCB Tractor models, one in yellow, hard to find, fitted with Scraper £40-70

**351. Two unboxed Tri-ang Lorry models from their 'Jumbo' range of Austin Trucks,** including a TM6345 Esso Petrol Tanker, G/G+ with 'Selected for the Design Centre London' sticker still attached to cab roof and a later version of the Flat Truck with Sides in metallic green and cream, G+. A Fork Lift Truck from the Hi-Way range of vehicles is also included as part of this lot, overall F/G unboxed, it appears complete, with features working as they should, but does have some paint loss. (3) £50-80

**352. Three boxed Tri-ang Pressed Steel Land Rover models from their 'Hi-Way' range of toys including Army Land Rover,** G+ in G box, Window Cleaning Contractors Vehicle, hard to find complete with ladder and bucket VG in G+ box and Utility Trailer Set in dark green with matching trailer, generally G+/VG but missing steering wheel in F/G box missing one end flap. (3) £80-150

**353. A very scarce unboxed large plastic Tri-ang #290 Cadillac Convertible model approximately 33cm long,** the model which appears overall G+, has removable wheels, an opening bonnet which reveals the engine with oil and water filler caps and corresponding oil and water outlet plugs on the underside of the car, opening filler cap on the offside and an aerial. The opening boot reveals a set of metal tools - hammer, spanner, screwdriver and tyre lever together with a jack, plastic jerry can and a spare wheel. Three large plastic Petrol Pump models, including two Tri-ang Minic #7890 'Shell' examples with operational clockwork mechanisms, conditions of which vary, are also included as part of this lot. (4) £70-100

**354. A group of unboxed Tri-ang Minic clockwork novelty toys,** some hard to find, including #7125 'Barnacle Bill', a Pelican, a #7123 Ladybird and #7127 Puffin. The toys appear to have operational mechanisms, but are lacking keys, overall generally G, although the cage that Barnacle Bill carries appears to be a replacement and the fish in the mouth of the Pelican appears non-original. A boxed Minic #6113 clockwork Mouse, in grey plastic with rubber ears and tail, VG with operational mechanism and non original key in a G complete box, is also included as part of this lot. (5) £50-80

**355. A boxed vintage Tri-ang 'Alpine Railway' mechanical toy,** hard to find, appears G+ and largely complete but unchecked, with operational motor and No.3 key, two blue cable cars, two docking stations, two supports and roof section, in a F-G box, missing one inner tab. £40-70

**356. A boxed Tri-ang #512S 'Cata-Marine' 'Sunfish' 12" electric Speedboat,** F/G untested with a hairline crack on the port side, in a G+ illustrated box together with three boxed Pedigree Toys including 'Prairie Express', M230 'Tug Boat', both from their 'Playtime' range, and a battery operated Traffic Light complete with instructions, all appearing generally G+/VG in G to G+ boxes. (4) £20-40

**357. Three boxed vintage Tri-ang Toys including a 16 piece Tea Set,** appears G+ and complete in generally G box, a 'Billy Best' Indian Play Suit consisting of Jacket, Trousers and War Bonnet (size Medium Age 6-8 Yrs) G+ in F/G box and a Good-Wood Toys Tappit Set, G+ in G box. An unused wooden footplate part for a vintage Tri-ang Scooter, VG, prominently displaying the 'Tri-ang' name, is also included as part of this lot. (4) £30-50

**358. A boxed vintage Tri-ang Gyro Cycle,** an early variant, the plastic bodied rider having a bright green plastic body and beret with 'PAT. PENDING' decal on his back, the figure being seated on a metal framed cycle with lithographed tinfoil wheels. The rider has good painted facial features and appears free from damage, overall G+/VG in a G+/VG box with inner liner. £50-80

**359. A boxed Tri-ang Minic Elephant and Howdah clockwork model generally G+ with operational mechanism however the canopy has become detached from the howdah with partial loss to one of the red plastic struts,** it includes the No.2 key and comes in a G+ box with illustrated label and inner packing piece. £30-50

**360. A boxed, hard to find, Tri-ang Telephone in green,** VG in G/G+ attractively illustrated box together with three telephone toys by other manufacturers including a Chad Valley Telephone Set, a Rosedale GPO Trimphone Money Box, both G+ in G+ boxes and a Codeg tinfoil Telephone Exchange, G+ in P box. (4) £50-80

**361. Two boxed vintage Tri-ang Tractor models including a Minic 211M clockwork powered Nuffield Tractor model,** F/G with some sun fading to the body although does have an operational motor and also retains the driver figure and No.1 key, housed in F/G complete card box with illustrated label to three sides, together with a plastic clockwork M250 Tractor from the 'Clockwork Marvel' range, VG with operational mechanism and fixed key in a F early box. A boxed M252 Traction Engine model, also from the 'Clockwork Marvel' range but housed in a later 'Pedigree Playtime' branded box, is also included as part of this lot, VG with operational mechanism and fixed key housed in an overall G+ box. (3) £60-90

**362. Two boxed vintage Tri-ang Minic TM6137 'Jack in the Boat' clockwork models,** both appear complete with operational mechanisms, figures with undamaged detachable heads, two oars, small Minic keys and Tri-ang decals to front decks. The 'Jack' figure model in the earlier style packaging has a blue jersey and overall this model appears G+ in a generally G, complete box. The 'Jack' figure in the other model, in the later box with coloured illustration, has a red jersey and generally the model is G although does have some distortion to the plastic boat deck and as a result the clockwork motor has a tendency to stick, the model being housed in a G/G+ complete box. (2) £60-80

**363. A very scarce boxed 'Tomic Rocket' model,** approximately 37cm long, manufactured by International Model Aircraft Ltd., a Tri-ang subsidiary. This is a most unusual version of the model in that it has its colours reversed from those on the illustrated box and indeed most other models encountered. The model has a fixed key and an operational clockwork mechanism. There are no obvious signs of damage although there are two original small holes on the starboard side of the forward part of the fuselage which do not appear to serve any purpose and do not appear to be present on other compared models. The item is housed in a F illustrated card box missing a tab and flap at one end. £60-100

**364. A group of unboxed Tri-ang plastic car models from their 'Push and Go' range including six Racing Cars,** Vanwall, Mercedes etc., a scarce M.3410 Sunbeam Alpine Convertible in green, 10cm long together with an Army Jaguar and three miniature models from the M.609 Minikit Set - Standard Vanguard Estate, Sunbeam Rapier and a Ford Zodiac, overall generally G/G+. A hard to find Tri-ang Minic models Catalogue from 1961, generally VG, which was removed from a Tri-ang retailers ring bound file and therefore with punched holes down the spine, is also included as part of this lot. (12) £30-50

**365. A selection of Tri-ang plastic Locomotive models from their 'Push and Go' range including three boxed examples,** two red 'Pushalong Flier' models in different styles of box and an M516 Veteran Puffer 'Sir Robert Minic' all generally G/G+ in G boxes. Unboxed examples include two 'Pushalong Flier' models, one in hard to find blue colour, a Veteran Puffer, five M.502 'Pushy Puffer' locos and four pieces of Rolling Stock, together with a non Tri-ang Locomotive model by Pepe (Portugal), overall models appear G/G+. (16) £40-60

**366. A boxed Tri-ang Minic M.509 'Push and Go' Diesel Flyer with 2 Coaches Set,** hard to find, G+ in generally G display box together with three unboxed Diesel Flyer Locomotives, two in orange and the less common red variant fitted with four metal hubs and rubber tyres, and two Coaches, which all appear generally G+. (6) £40-60

**372. Two boxed Tri-ang Minic Fire Engine Models,** including a #219M Series II Fire Fighter, appears G+/VG with extending ladder, both roof mounted bells, two fireman figures in the cab, another two seated behind and a separate loose fireman with hose, operational friction drive motor and poseable front wheels in a G/G+ box, together with a hard to find Minic M222 Fire Engine with ladder model, VG in VG black and yellow Minic window box. The latter model having 'Made by Rovex Industries cast into the nearside body of the vehicle, a similar unboxed model of the M222 is also included, generally G+, having 'Tri-ang Minic' cast into the same position on the side of the body. (3) £60-80

**373. A boxed Tri-ang Minic Daimler Ambulance plastic model from their 'Push and Go' range,** generally G/G+ in a G+ card box together with five unboxed vehicles from the same series, including two Fuel Tankers in yellow and blue, three Bedford CA Vans - in red and green with 'Express' decals, in blue with 'Super Speed Transport -As fast as a Jet!' wording to both sides, all generally G/G+. (6) £70-100

**374. Eight unboxed Tri-ang Minic tinplate vehicles,** conditions vary, including an 73M Articulated Low Loader with Cable Drum Load, 60M London Bus and Routemaster Bus variants, the latter pair both with friction drive, together with a vintage wooden Garage which retains its roof sign and a later cardboard 'A' type, both with some parts missing. (10) £80-120

**375. Three boxed vintage Tri-ang Minic vehicles including 16M Caravan in red and cream,** 11M Tractor in red and a 15M Shell BP Petrol Tanker, all appear G/G+ in G/G+ boxes, with the latter pair retaining their original keys and having operational mechanisms. A scarce boxed 115M Dump Truck in orange plastic, G+/VG with key and operational motor in a P/F but complete illustrated box, with internal repairs to flaps, is also included as part of this lot. (4) £100-150

**376. Two boxed Tri-ang Aircraft models,** both hard to find, including Minic M319 Avro Delta, G/G+ in a G+/VG illustrated box and M102 Gloster Javelin, missing the tip of the port wing otherwise appears G+ in G+/VG Advanced Airfield Maintenance Wing box. Also included as part of this lot is a boxed vintage Frog Single Seater Fighter Mk V model, appears largely complete, F/G, with instruction sheet and parts list dated January 1963 in a F/G but complete winding box. (3) £50-80

**377. Two unboxed Tri-ang 208M No.2 Jeep models,** including the standard military version which appears overall G+ with operational clockwork motor and non-original key together with a seldom seen non-mechanical M110 variant in yellow AA livery, produced by Tri-ang for only a very short time. This very scarce vehicle has some repainting to the steering wheel, some small touch-ins to the paintwork on the vehicle and a non-original aerial, otherwise appears G, (2) £40-80

**378. A very scarce unboxed AA Relay Range Rover model,** approximately 42cm long, by Sharna Toys, who took over the manufacture of various toys and pedal cars from the Tri-ang range when the original Tri-ang company ceased operations. This impressive vehicle, generally G+, appears to be a more economically produced version of the Tri-ang Pedigree 'Sindy' car, with the addition of an orange roof mounted beacon and AA Relay labels to the front, rear and both sides of the vehicle, the latter all appearing to be present and complete. £50-80

**379. Three Tri-ang Minic #210/230M Armoured Car models differently boxed,** including an early clockwork version with non-operational motor otherwise appears G, missing key, in F illustrated box, a friction drive version, VG in a generally G, complete 'Push and Go' striped box and another friction version, VG, with the later style decals in a F-G 'Armoured Brigade Headquarters Squadron' box. Two boxed Tri-ang Minic clockwork Tank models are also included as part of this lot including an M117 Rocket-Firing Tank with non operational clockwork mechanism although comes with a No.3 key, lacking one of the four rockets and one rocket is missing its red tip, otherwise overall appears G in a G+/VG 'Armoured Brigade Headquarters Squadron' box with outer plain card protective sleeve, together with a 213M Series II Sherman Tank model, missing key and front portion of main gun, it otherwise appears generally G, with tracks, all decals and operational clockwork motor, in a F/G box with illustrated label, missing a tab at one end. (5) £60-90

**380. Two boxed versions of the Tri-ang M.310 Rocket Gun and Tank Battle Set,** 'Tank Tactix Game' and 'Shoot & Surrender! Rocket Gun & Tank Battle'- each containing a battery operated remote control Tank and Rocket Firing Anti-Tank Gun. Whilst both sets are untested, the battery compartments appear clean and both vehicles in each set appear complete. Some ammunition is included in each set although the ends of the smaller rockets have perished and both tanks have their masts, one missing the paper flag, overall both appear G/G+. The boxes are generally G, though the Tank Tactix set does have a tape repair to one end flap. (2) £40-60

**381. A boxed Tri-ang Minic M120 Bedford 'S' type Aircraft Refueller,** a hard to find, G+/VG later free-wheeling model in blue with RAF roundels and '64891-R' decals to tractor unit and '46182-N' decals to the tanker trailer, in P-F 'Advanced Airfield Maintenance Wing' box missing a tab and an end flap at the unlabelled end. £70-100

**382. An unboxed Tri-ang Minic Bedford 'S' type Aircraft Transporter,** a very hard to find, G+/VG later free-wheeling model in blue with RAF roundels and '38196-C' decals to tractor unit and 'Danger Keep Clear' decals to the flatbed trailer. The model also carries a yellow plastic jerry can in the holder attached to the rear of the cab. This model is carrying a Tri-ang #306M 'Push and Go' Hawker Hunter model as its load, which actually appears to sit better on the trailer as opposed to the somewhat oversized Gloster Javelin model that the M118 was designated to carry. The Hawker Hunter model is F, missing the tip of the starboard wing and with some loss to the port horizontal stabilizer. £60-90

**383. Three unboxed Tri-ang Minic Bedford vehicles,** including a #222M Articulated Transport Lorry in red and cream with 'Push and Go' mechanism, overall G with complete coupling gear, carrying a Tri-ang clockwork boat, P/F, as its load, together with two examples of the 212M clockwork Bedford Tipper Lorry with separate operational clockwork mechanisms to both rear wheels and tipper body, in red/blue and red/green, with the latter model missing the rear tipper flap. The clockwork operation to the tipper on the red and blue model appears somewhat spasmodic and the clockwork mechanism to the wheels on the red and green model appears to be non-operational, both are supplied with non-original keys and both generally otherwise appear F to G. (3) £60-80

**384. Two unboxed Tri-ang Minic Bedford vehicles including a 'Push and Go' #225M Breakdown Lorry 'Minic Garages' in red and cream,** overall G+ with hook and bulb in holder at the rear of the vehicle and clean terminals in the battery compartment together with a clockwork Express Delivery Van in red and cream, generally G, with rear shutter door and operational clockwork mechanism, supplied with a non original key. (2) £60-90

**385. A boxed Tri-ang Minic Bedford 'Push and Go' #365M Express Delivery Van in red and cream,** VG, with rear shutter door and operational friction drive mechanism, housed in a G box with illustrated label, missing a tab at one end and with 'Gyro Van 14/6' pencilled on the other end of the box. £60-90

**386. A boxed Tri-ang Minic 218M clockwork Aveling Barford Road Roller in green,** VG/E with operational mechanism and original No.3 key, in an overall G box with illustrated label and remnants of 'Hamley's of Regent Street London' sealing tape at one end. £50-80

**387. A boxed Tri-ang #223M Minic No.3 Bedford 'Push and Go' Shell Articulated Petrol Tanker in green and red,** overall G/G+ with operational friction drive motor, coupling gear intact and reasonably good decals with partial loss to the 'B' of BP on the offside and some loss to letters of the word 'Shell' on the nearside of the tank, however it is missing a side ladder and does have a dent in the top rear portion of the tank. The model is housed in a generally G complete box with illustrated label. £70-100

**388. 16 boxed Tri-ang 'Minix' miniature 'OO' gauge plastic cars including six Hillman Minix,** four Austin 1800 and six Morris 1100 in various colours, generally VG, all sealed in their cardboard cases, retaining their outer shrink wraps. (16) £80-120

**389. A vintage framed Tri-ang Railways retailers paper sign,** 'Precision Electric & Clockwork - The World's Finest 'OO' Model System', approximately 36 x 24cm together with two vintage Printing Plates both advertising Tri-ang Model Railway items - 'Tri-ang Railways Christmas Selection' and 'Tri-ang Railways - See them on TV every Sunday', the largest being approximately 20 x 9 cm. (3) £40-60

**390. A vintage framed scarce 'Pedigree Dolls' retailers paper sign,** the blue background of which incorporates assorted multi-coloured triangular shapes as part of its design, approximately 97.5 x 22cm, exhibiting some signs of age-related wear and foxing, together with two vintage Printing Plates both advertising products from the Tri-ang Pedigree range 'Give Her a Pedigree Doll' which incorporates illustrations of products from various ranges, together with a 'Sindy - Made in England by Pedigree Dolls Ltd' illustrated plate, the latter, smaller plate measuring approximately 7 x 4.5 cm. (3) £40-60

**391. Three framed Tri-ang retailers Counter and Display cards**, including 'Give Tri-ang Toys - Over 2000 to Choose From', 'Tri-ang Toys Christmas Club Start Saving Now!' and 'Tri-ang Toys are here!', overall appear G, some with signs of foxing. The Christmas Club card measures approximately 25.5 x 18cm. A vintage printing block, 15.5 x 9.5cm, with wooden backing, illustrating various toys from the 'Tri-ang' range and proclaiming them to have 'The World's Largest Range of Toys' is also included as part of this lot. (4) £50-80

**392. Two vintage famed Tri-ang retailer paper signs**, including 'Tri-ang Toys' and 'Tri-ang Tricycles' both on multi-coloured backgrounds, each measuring approximately 125 x 23 cm and both appear VG. (2) £50-80

**393. Four boxed items from the Tri-ang Minic Motorways range**, including M.1803 London Transport Bus Garage, unchecked for completeness but does retain instruction sheet, housed in a generally G/G+ box, M.1545 Double Deck Bus with 'Go Well- Go Shell' ads, G in an overall G lidded box, a G, M.1546 Bedford TK Bale Lorry Box, which contains a Bedford Lorry, a flat lorry body and a Shell Tanker body, the latter with some damage to locating lugs on the underside of the tank together with an M.1542 Jaguar 3.4 in green which appears G+ although untested, as are all the motorised models in this lot, housed in G+ later style window box packaging. Three Tri-ang Minic Motorways Catalogues - 2nd, 3rd and 1966 editions, conditions of which vary, are also included as part of this lot. (7) £60-80

**394. Two boxed Tri-ang motorised Roadway Sets**, including an MG2 Magicar Motoring Set, component parts of the set included appear VG and the set retains the instruction sheet, although the set includes only one chassis. The two car bodies included are a Rolls Royce in red and a Jaguar Mk X in green, both with bumpers intact. The outer box for the set is generally G+. Together with a boxed Tri-ang CG501 'Bandit Chase Game' motorised roadway set, generally G/G+ with roadway board, two controls, two chassis and oil drums present in their compartments in the base of the box. Both vehicles are also included, an Aston Martin DB5 Police Car in white with blue tinted windows and 'Police' stickers to both doors, together with the AEC style Lorry with sides and opening tailgate, both bodies appear £60-100

**395. A boxed Tri-ang Frog**, the red and yellow plastic model, complete with motor, has been built and appears generally G/G+ although is missing one wing mirror, it is housed in a G box, which converts into a garage, complete with inner tray, instructions and used sticker sheet, together with an unboxed similar built model, in yellow and blue, which appears to be missing one wheel, axle rod and both wing mirrors, but comes with motor. Also included as part of this lot are two boxed 'Triak-Trak' red cars in generally G boxes one being 'Penguin' branded, the other manufactured by 'Spot On Models', together with an unboxed example in yellow, and all appear overall G+. (5) £40-80

**396. A boxed Tri-ang Frog IMA610 motorized Morris 1100 1/16th scale vehicle kit. This unbuild model kit**, in red plastic, whilst unchecked for completeness, contains a large number of parts together with instruction sheets, unused decal sheet and motor and comes in a G+/VG large box with illustrated lid. The model kit is accompanied by a framed original scarce retailers window poster, VG, measuring approximately 21x32cm, advertising Frog kits and which features illustrations of the Morris 1100 model together with the Dennis Ambulance and Jaguar 'E' type which were also available in the Frog 1/16th scale kits range. £70-100

**397. Two vintage**, hard to find, original retailers Tri-ang Toys paper signs, both framed, including 'Tri-ang Toys Take the Tough Guy Test', approximately 51 x 18 cm an a slightly later 'Tri-ang Toys Ltd. The BIG Toy Makers', approximately 68 x 22.5cm, with the latter poster featuring illustrations of various pedal cars and go-karts of the time. Generally items appear G/G+. (2) £50-80

**398. Two boxed Tri-ang Battery Operated Minic Cars in 1/20th scale**, including M.014 Bentley Continental in green, G+/VG in G/G+ box and M.013 Rolls Royce Silver Cloud, G/G+ but with loss to radiator mascot and with partial loss to number plate decals in a G/G+ box with a small amount of surface paper label loss to left hand upper face of the lid. Both models untested, although battery compartments appear clean. (2) £80-120

**399. Two boxed Tri-ang Battery Operated Minic Cars in 1/20th scale**, including an M.004 Jaguar 2.4 in dark red, F-G wth some surface scratches, partial loss to number plate decals and a hairline crack to the offside drivers door, otherwise appearing complete in a F-G box, and an M.002 Austin Healey 100/6 in cream, P, missing many parts in a F/G lidded box. ## ABBREVIATED TERMS AND CONDITIONS

Please ensure you view the Full Terms & Conditions on our website

**Specialist Auctions Ltd Trading as Special Auction Services referred to as The Auctioneer and to include any person acting upon his authority. In these Terms of Sale the words 'you', 'yours', etc. refer to you as the Buyer. The words "we", "us", etc. refer to the Auctioneer. English Law shall govern all transactions associated with this sale.**

### Conditions of Sale

**Third Party Liability:** All persons on the premises of, or at a venue hired or borrowed by the Auctioneers are there upon their own risk. **They shall have no claim against the Auctioneer in respect of any accident, injury or damage howsoever caused.**

**Bidding procedures and the Buyer:** You must register your details with us before bidding and provide us with any requested proof of identity and billing information, in a form acceptable to us. **You must also satisfy any security arrangements we have in place before entering the auction room to view or bid. We strongly recommend that you attend the auction in person. You are responsible for your decision to bid for a particular Lot. If you bid on a Lot,** including by telephone and online bidding, or by placing a commission bid, we assume that you have carefully inspected the Lot and satisfied yourself regarding its condition and authenticity. **The Purchase Price:** As Buyer, you will pay: a) the Hammer Price; b) a premium of 20% of the Hammer Price if bidding in the room; telephone bidding or leaving a commission bid directly with SAS; and for all bidding online via SAS LIVE; and a premium of 25% will be charged for all bidding online via the-saleroom.com c.) any artist's resale right royalty payable on the sale of the Lot; and d) any VAT due.

**VAT:** You shall be liable for the payment of any VAT applicable on the Hammer Price and premium due for a Lot. **We will charge VAT at the current rate at the date of the auction. Items in our catalogue may be marked in the following ways: (\*) indicates that VAT is payable by the buyer on the hammer price as well as being an element in the buyer's premium. VAT will be chargeable at the standard rate (presently 20%). This imposition of VAT is likely to be because the seller is registered for VAT within the European Union and is not operating the Dealer's Margin Scheme or because VAT is due at 20% on importation into the UK. (\*\*) indicates that the lot has been imported from outside the European Union. [These lots are liable to the standard rate of VAT (currently 20%); in certain circumstances these lots will incur a reduced rate of VAT (5%) on the hammer price and buyer's premium]. The rate will be clearly indicated. Lots which do not have either of the above symbols have no VAT payable on the hammer price. This is because such lots are sold using the Auctioneers' Margin Scheme. The VAT included within the premium is not recoverable as input tax.**

**Payment:** Immediately following your successful bid on a Lot you will pay to us the Total Amount Due within 7 days, by cash (maximum £10,000) or bank transfer. **Following the day of the sale,** we will send out invoices to all successful telephone, online and commission bidders via email or post. Your items can be made ready for collection by appointment only. This also applies for courier collection. We are unable to offer in house postage yet in Dudley but recommend That's your lot based locally in Wombourne on 01902 75212 or info@thats-your-lot.co.uk. We also reserve the right to ask the buyer to complete a disclaimer regarding this service prior to despatching the goods. Alternatively, you will (at your own expense) pay for and personally collect or arrange your own courier to collect any Lots that you have purchased. This must be undertaken no later than 7 days following the day of the auction. You may not claim or collect a Lot until you have paid for it. If you do not pay for or collect the Lot within this time period, you will be responsible for any reasonable removal, storage and insurance charges in relation to that Lot. **Warranties:** The Seller warrants to us and to you that: the Seller is the true owner of the Lot for sale or is authorised by the true owner to offer and sell the lot at auction; the Seller is able to transfer good and marketable title to the Lot to you free from any third party rights or claims; and as far as the Seller is aware, the main characteristics of the Lot set out in the auction catalogue (as amended by any notice displayed in the saleroom or announced by the Auctioneer at the auction) are correct. If, after you have placed a successful bid and paid for a Lot, any of the warranties above are found not to be true, please notify us in writing. Neither we nor the Seller will be liable to pay you any sums over and above the Total Amount Due and we will not be responsible for any inaccuracies in the information provided by the Seller except as set out below.

**Descriptions and condition:** Our descriptions of the Lot will be based on: (a) information provided to us by the Seller of the Lot (for which we are not liable); and (ii) our opinion (although it is likely that we will not be able to carry out a detailed inspection of each Lot). **Weights and measurements given are all estimates. We will give you a number of opportunities to view and inspect the Lots before the auction. You (and any independent consultants acting on your behalf) must satisfy yourself about the accuracy of any description of a Lot. We shall not be responsible for any failure by you or your consultants to properly inspect a Lot. Representations or statements by us as to authorship, genuineness, origin, date, age, provenance, condition or estimated selling price involve matters of opinion.** We undertake that any such opinion will be honestly and reasonably held and accept liability for opinions given negligently or fraudulently. Please note that Lots (in particular second-hand Lots) are unlikely to be in perfect condition. Lots are sold "as is" (i.e. as you see them at the time of the auction). Neither we nor the Seller accept any liability for the condition of second hand Lots or for any condition issues affecting a Lot if such issues are included in the description of a Lot in the auction catalogue (or in any saleroom notice) and/ or which the inspection of a Lot by the Buyer ought to have revealed. We will give indications of provenance where stated by sellers. It is imperative that potential buyers or their Agents inspect lots that interest them prior to the auction. Purchases of autographed materials and works are made at the risk of the purchaser. Subject to our Terms and Conditions we cannot accept returns on these items.
