2020 JUNE PART ONE NEWSLETTER

We hope this email finds you well and you and your family and friends are staying safe!

We have been very busy with holding several auctions and getting auctions relisted and ready for you.

Please be patient if you have purchased lots in our auctions as we are still not officially open and we are running with a dedicated skeleton staff. As from Monday 1st June we will have some more staff coming into the office and from 15th June we can start to offer longer hours for viewing and collecting. We thank you for your patience!

In May we have had five auctions and all of which have been a great success. Thank you to all of our bidders and to all of our vendors.

Below are details of some of the auctions coming up in June, and there is so much great stuff for you to bid on. There are five auctions this month and plenty more coming soon in July, August and September.

Thank you for taking the time to subscribe to the Special Auction Services Newsletter and for reading our monthly emails.

Please take care!
