www.specialauctionservices.com

GENERAL NEWS

As mentioned April was an amazing month indeed. We launched our new SAS Live bidding at the Music & Entertainment sale on 24th April and we are delighted with the performance so far. In fact, the very first lot was sold to an SAS Live bidder, so thank you to all of you that have taken the plunge and also are now saving yourselves some money!

We have also had some great collections come in over the past few weeks and due to capacity we are having a change with some of our dates.

Please be aware we have now moved the May Camera & Photographic auction into June, which will be on Tuesday 17th June. Then due to us taking in a sensational collection of Leica and other cameras from a private collection in Sweden the Fine Camera & Photographica sale will be truly fantastic for you!

We also have a very large collection of Fire Marks that we will start cataloguing over the coming months and bring you more news soon.

The May, July and September Watch sections will include parts of a large collection of pocket watches from a private collection in Essex and there is a great range from Georgian to the 1950s!

The 2019 Sales Calendar is full of auctions for you. [Click here to visit the SAS Website](#) to put the dates in your diary.

Don't forget we also have a Free Valuation Day every Wednesday at our salerooms in Newbury. We also hold a Valuation Day on the second Monday of every month at the Jury's Inn in Swindon, so book your appointment on 01635 580 595.

You can keep up to date with some of our activities by following us on Facebook (search for SAS) & Twitter (@SpecialAuction1 and @SASauctions).

Kind regards and many thanks for reading and subscribing to our Monthly Newsletter,
